STATEMENT OF GWILYM J. O. ATTWELL

The above-identified patent application was filed with the U.S. Patent and Trademark Office on May 25, 2001, as evidenced by the Express Mail Label (copy enclosed herein). The return Post Card was stamped as being received by the Patent and Trademark Office on May 23, 2001.

The return postcard was received by our mail room on June 11, 2001. On June 11, 2001 we noticed the discrepancy between the date we actually filed the application May 25, 2001 and the filing date accorded by the U.S. Patent and Trademark Office (May 23, 2001). The discrepancy appears to be the result of a clerical error on the part of the U.S. Patent and Trademark Office. Applicants respectfully request the correction of the filing date for the above-identified to read May 25, 2001.
